Dear Families,

We are happy to inform you that our new camp director for this summer is Sarah Fondriest. Sarah worked with us at camp in 2008 and returns to head the program. She is excited to join us in her new position and is looking forward to meeting all of the campers and their families. Sarah is currently working as a directress at Old Town Montessori School in Alexandria. If you need any assistance with the registration process, please contact the AMH office and we will be happy to help.

If you have enrolled with us before, we have a few changes in our enrollment and payment process. Please read the following information before you fill in your applications. Preference is given to families currently enrolled at AMH through February 27, 2009. Enrollment is then opened up on March 2, 2009 to the general public on a space-available basis.

This year, if you choose to sign up for **all ten sessions with extended care hours**, you will receive a \$450.00 discount (more than one week's tuition!) You will be billed with three invoices in May, June and July which are due June 1, July 1 and August 1. Each invoice will be for the amount of \$1000.00.

Also this year, if you choose to sign up for individual weeks of regular camp sessions or extended care sessions, we are asking for complete payment of each week with your registration. Please write individual checks for each week you are interested in. We will apply your check to the week if there is a spot for your child and return your check for any week/weeks that are full.

If your child's camp placement is confirmed and you need to make any changes to your requests, we will make every effort to accommodate your request; however, **any change made after registration is confirmed will incur a \$25.00 administrative fee.*

There is no registration fee required this year with your application. Please submit your applications as soon as possible as most camp sessions tend to fill quickly. As stated above, we will start considering applications from the general public beginning on March 2, 2009.

Once again, we look forward to an exciting summer camp program with your children. If you have any questions regarding camp and the registration process, please feel free to contact us in the office.

Sincerely,

Mardee Wimmer
Administrator, AMH
